RESPONSE TO ELECTION REQUIREMENT

April 9, 2002

Honorable Commissioner of Patents
And Trademarks
Washington, D.C. 20231

RECEIVED
APR 10 2002
TC 1700

Dear Sir:

In response to the Official Action of March 14, 2002, Applicant hereby elects claims 1-7 with traverse. The Examiner asserts that the process as claimed (claims 8-12) can be used to make a materially different product. However, the Examiner fails to support this assertion. Furthermore, examination of all claims, 1-7 and 8-12, will require similar if not identical searches given the product and process of manufacture relates to door skins. As such, Applicant respectfully disagrees with the Examiner's assertions.

It is believed that no fee is due with this submission. Should that determination be incorrect, then please debit Account 50-0548 and notify the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'W. C. Schrot', with a long horizontal flourish extending to the right.
